THE BUYER AND SELLER AGREE THAT THE SELLER GIVES NO WARRANTY, EXPRESS OR IMPLIED, AS TO THE PRODUCTIVENESS OF THE STOCK HEREBY OFFERED, AND ITS RETENTION FOR TEN DAYS AFTER RECEIPT BY THE BUYER WITHOUT COMPLAINT IN WRITING, CONSTITUTES A DEFINITE ACCEPTANCE THEREOF BY THE BUYER. OUR LIABILITY IN ALL INSTANCES IS LIMITED TO THE PURCHASE PRICE. ALL STOCK IS OFFERED SUBJECT TO ANY AND ALL CONDITIONS BEYOND OUR CONTROL.

"If I only had the time to shop around for the stock I need to round out my ORCHID collection." Surely, those words strike a familiar chord with most every Orchid grower. Your worries on that score are over because we will do your shopping for you.

The attached list of Orchid plants is unique because it is composed of quality plants from many growers rather than that of one. You will find domestic hybrids inspected by us in all stages of growth and in a wide selection.

If you want imported hybrids to introduce new blood in your collection, FLANDRIA of BRUGES, BELGIUM, through us exclusively, offers Europe's finest crosses. We recommend purchases in excess of \$200.00 on Flandria stock, since this will give you the benefit of the 10% discount on the prices listed. Also, because of the import charges, which are generally fixed, you will find it more economical to order in larger quantities than smaller ones.

Our service goes further than being your Professional Shopper. Read what one satisfied customer has to say:-

"The orchid plant shipment arrived a few days ago and all plants were in perfect condition. Not a single plant was damaged due to the excellent packing of your staff. You will be advised as to the number of blooms cut this coming season."

These facts are important to you. Bear them in mind as you look through our list.

We are supplying a service many Orchid growers have been asking for. Use it to your advantage.

Yours very truly,

McHUTCHISON & CO.
